

Petty thievery

Tom Petty, who claims to be the king of Milwaukee in his new song "Honey Bee," had a little chat with his buddies on the information superhighway Tuesday. While he didn't answer our friend's question about what he did to be crowned king of our city, he did let fans know that **Dave Grohl**, the drummer for Nirvana, isn't likely to be joining Petty's band, the Heartbreakers. Grohl agreed to perform with Petty, et al,
